

REPORT DESCRIPTION

TITLE: Variable Generation Tie-Breaking Rankings Report

CONFIDENTIALITY: Public

PURPOSE: Publish Variable Generation Tie-Breaking Rankings for the next 90 day period. The following information is included in this report:

- Month, Year – Month and Year of Delivery date for which the Rankings apply
- Date – Delivery day of the month for which the Rankings apply
- Resource – Variable Generation Resources
- Rankings – Variable Generation Tie-Breaking Rankings

FREQUENCY: Published on 1st calendar day of every month or after successful Tie-Breaking Rankings calculation and recording of the data into the Tie-Breaking database.

GRANULARITY Monthly for the next 90 days

NOTES: A null value will appear for any resources which are not ranked for the specific date. The resource listed as number 1 is the first resource to be dispatched.

The rankings take effect in HE 16 interval 1 each day. For example, a ranking in the column of the 1st day will be used from HE 16 interval 1 of the 1st day until HE 15 interval 12 of the 2nd day.
